One of the surprises in the municipal cam saign is the fact that sporting men are lay ing very little money on the result.

Blichnel Schaeffer is the cause of the trouble these great men are experiencing. Mr. Schaeffer had a grudge azainst Collector Eidman and moved down from the Four-teenth District to pay it off. He organized a B. M. E. O. branch, with 300 good Remiblician members, and now it is said that he is going to turn them over to Tammany. They would have voted the other way, it is said, had Collector Eidman kept faith with Leaster Schaeffer. The story is that Collector Eidman told little Mr. Schaeffer that, if he would get a letter of recommendation from Tom Fiatt he would make him a Doputy Collector of Internal Revenue. The next day Schaeffer appeared with the required letter and Collector Eidman drove him from his office.

A NEW CANDIDATE AGAINST FELLOWS.

A NEW CANDIDATE AGAINST FELLOWS.

"That saves Col. Feilows's scalp. If MoKeon had stayed in the race he'd have been
beaten, "said Alderman William H. Walker,
the Tammany representative from the Ninth
Assembly District, when the County Democracy candidate for Congress pulled out of
the field in the Ninth District.

Another candidate has been nominated,
though, in Mr. Mockson's stead, Edwin L.
Abbett, a resident of the district and a
brother of Gov. Leon Abbett, of New Jersey,
is the new candidate.

The Sixth District is overwhelmingly
Democratic, so that there is little likelihood
of the Hepublican candidate slipping in in
any event.
